

DISABILITIES RESOURCE CENTRE

Information Services

Eligibility

No eligibility criteria. Open to all.

What's It All About?

Need to know how to get a mobility parking card? If your parents are entitled to free Home Care? Which support groups are available in the community? We have the answers!

Come to us with any question, big or small, because at the Disabilities Resource Centre we are a one-stop-shop for disability information. As well as helpful staff, we have a community library which you are most welcome to borrow from. In it you can find:

- a large array of books
- carefully selected videos and DVD's
- catalogues of specialised newsletters
- FundView (a funding database of community groups)
- extensive lists of community support groups
- information regarding types of NZ Government benefits available
- lists of recommended websites and ebooks

The library is constantly evolving and we are open to requests for specific title and topics.

The Information Services Co-ordinator can also give presentations about DRC and the services we provide to your social or community group. Just give us a call!

Where To From Here?

Call our Information Services Co-ordinator on 0800 227 363, or email information@drct.co.nz.

one call - countless resources - endless opportunities
